RE: Memorandum of Understanding between NAHA and the City of New Albany

Dear Mayor Gahan,

I asked the NAHA Board of Commissioner Chairperson, Lynda Wilcox, to delay the Memorandum of Understanding (MOU) from the City of New Albany for the March 13, 2017 NAHA Board of Commissioner meeting. I have been on sick leave for the last two weeks due to emergency eye surgery and have not been able to respond to the NAHA Board of Commissioners with a review and comments of the MOU document.

I will have my comments to the NAHA Board of Commissioners by March 21, 2017, for their review. Following the NAHA Commissioners review, I will have all comments to the City of New Albany by March 24, 2017.

I would hope the MOU between the City of New Albany and NAHA could be discussed at the NAHA Board of Commissioners meeting on April 10, 2017.

Respectfully yours,

Bob Lane
Executive Director
