## SESSION TWO - COLOR THEORY AND KNITTING WITH COLOR

**Hosted by Heather Walpole**

11 am-12 pm Pacific/12-1 pm Mountain/1-2 pm Central/2-3 pm Eastern

Choosing colors for knitting can be one of the most fun parts of the project. Knitters often know their favorite colors but how do we choose which will act as the main color and which will have supporting roles? Maybe you like certain color combinations but do you know WHY they work so well together? There's a real process to color interaction called Color Theory and we'll explore how that relates to different types of color work such as mosaic and stranded knitting.
