The Yard is seeking a full-time Marketing & Development Manager to join our team. This person will live on Martha’s Vineyard from mid May to mid September and can work remotely the rest of the year.

Job Description

Organization Summary –

The Yard is a nonprofit creation and performance platform for local, national, and international artists, with a focus on contemporary dance. Founded in 1973 by the late choreographer Patricia Nanon, The Yard provides paid space, time, and resources for performing artists to create, perform, and engage with our community. We share these artists' work publicly through presentations and wide-ranging educational experiences for all ages. Through these programs and more, we provide year-round opportunities for our community to experience the arts.

Located on the island of Martha’s Vineyard, The Yard’s 2.6 acre campus is in the “up-island” rural town of Chilmark. Our 100-seat black box theater and open-air studio are operable in the summer months. Three residences also sit on the property and serve as artist and staff housing. In the cold-weather months, we offer programs in various offsite locations, ranging from performances at the 700-seat Martha’s Vineyard Performing Arts Center to libraries and community centers across the island.

The Yard’s 2021 annual operating budget was roughly $1.1M with 95% of revenue coming from individual donors and granting institutions.

Our Mission –

The Yard supports diverse, contemporary dance-makers and related artists in their creative processes through paid creative residency, public performance, long term education, and artist driven civic engagement. We serve all ages and cultural populations on Martha’s Vineyard, and work collaboratively with artists, producers, and other cultural organizers within regional, national, and international contexts.
