

ACES
ALL-STAR EVENING
2017

ACES HISTORY & SUCCESS

ACES started 22 years ago in a single classroom with just 13 students with the goal of reducing educational disparities. Low-income students and students of color in Minneapolis and Saint Paul demonstrate significantly lower academic outcomes than their white peers. ACES aims to eliminate this disparity by providing additional academic support via our innovative model that uses sports to engage students in academic and social-emotional learning. To date, ACES has served and impacted more than 6,000 students in traditionally underserved areas, providing crucial support to communities that need it most.

ALL-STAR EVENT

MAY 18TH, 6:30-8:30PM

DELTA SKY360 CLUB

US Bank Stadium

This year's annual All-Star Evening will be held at the new Delta Sky360 Club inside of U.S. Bank Stadium, located directly next to the Vikings locker room.

We invite you to mingle with local sports celebrities, network with other guests, take photos with your favorite mascots, partake in a silent auction, and learn more about the work that ACES does and how you can help. It will be a night you don't want to miss!
