Innovation's Promise

Innovation
drives
economic
growth

start-up

JOBS

Washington
is a national leader in
many markers of
innovation

13.2%

Gross State
Product
driven by
Technology
(national rank – 2)

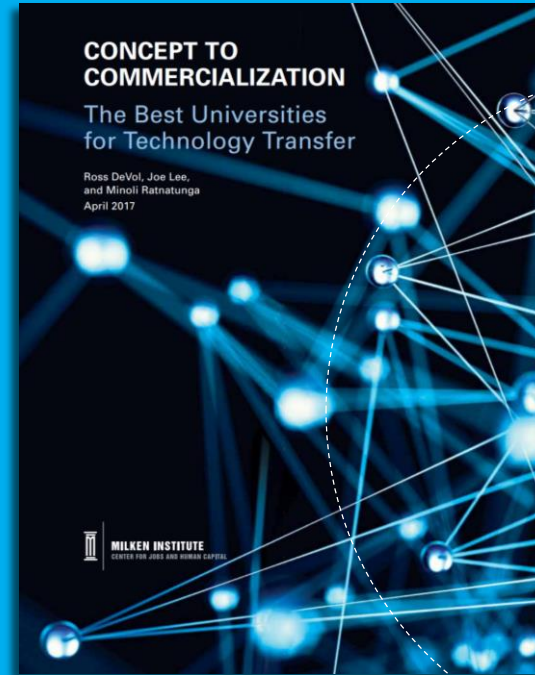

23.3

Patent Filers
Per 1000
Workers
(national rank – 2)

\$1667

Public R&D
Funding
Federal R&D
Gross Value per Worker
(national rank – 9)

With our
anchor innovators
giving us many
reasons to
celebrate

Innovation's Promise

GeekWire

And yet there
is room for
improvement

Women make up
33% of
Washington's
tech workers

Washington
ranked a distant
6th nationally
for total venture
investment at
\$1.6B in 2016

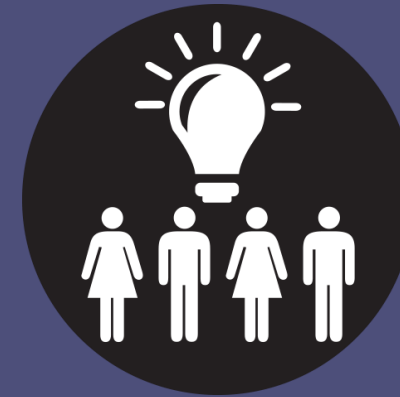

Unemployment
outside of Puget
Sound is 2-3x the
King County
unemployment
rate

So we must
strengthen the
foundations of
innovation

Q1

What is one thing
the Tech Alliance should do
to strengthen WA's
tech-driven economy?

Q2

What great tech-driven
innovation story should
the Tech Alliance
know about?
