

OUR CITY FOREST

TREE STEWARDSHIP AGREEMENT

THE CITY OF SARATOGA is pleased to announce a program to encourage the planting of **2,020 TREES BY THE YEAR 2020**. In support of this effort, the City will contribute funds to this program to supplement the cost of planting a new tree. This program has been designed to reinvigorate the community at very low cost to the homeowner. Each property owner can apply for up to **two street trees** (15-gallon size). **Trees must be planted in the front yard of the property** and be chosen from the list of approved trees that can be found at **WWW.OURCITYFOREST.ORG**. If you do not have access to the internet, a list can be mailed to you from Our City Forest. All ordering logistics, planting, and code compliance will be handled for you – you agree to be responsible for the tree for its lifetime.

I AGREE TO CARE FOR MY TREE

Our City Forest (OCF) will provide basic tree care annually for the first 3 years, including stake adjustment, mulching and structural pruning. OCF will send tree stewardship surveys via email periodically. As tree steward, I will water and provide care needed to establish the young tree in the landscape.

SPECIAL CARE NEEDED FOR FIRST 3 YEARS:

- **WATER THE TREE(S) REGULARLY:** 10-15 gallons per week.
- **KEEP THE WATERING BASIN MAINTAINED:** Remove debris, grass and other plants; maintain soil berm and mulch.
- **MONITOR THE HEALTH OF THE TREE(S):** Complete stewardship surveys and contact OCF if you need assistance.

I agree to be responsible for trees provided through this program for the life of the tree. I hold the City of Saratoga and OCF harmless in the case of partial or whole tree failure or any damage or injury associated with the tree.
