

Disclaimer

Apella Capital, LLC (“Apella”), is an investment advisory firm registered with the Securities and Exchange Commission. The firm only transacts business in states where it is properly registered, or excluded or exempted from registration requirements. Past performance is not indicative of future results. Therefore, different types of investments involve varying degrees of risk, and there can be no assurance that the future performance of any specific investment, investment strategy, or product (including the investments and/or investment strategies recommended or undertaken by Apella), or any non-investment related content, made reference to directly or indirectly on this website will be profitable, equal any corresponding indicated historical performance level(s), be suitable for your portfolio or individual situation, or prove successful. Due to various factors, including changing market conditions and/or applicable laws, the content may no longer be reflective of current opinions or positions. Moreover, you should not assume that any discussion or information contained on this website serves as the receipt of, or as a substitute for, personalized investment advice from Apella or your advisor. Please remember to contact your advisor, if there are any changes in your personal/financial situation or investment objectives for the purpose of reviewing/evaluating/revising our previous recommendations and/or services. Apella is neither a law firm nor a certified public accounting firm and no portion of the website content should be construed as legal or accounting advice. Information throughout our site and materials, whether stock quotes, charts, articles, or any other statements regarding market or client performance or other financial information is obtained from sources which we, and our suppliers believe reliable, but we do not warrant or guarantee the timeliness or accuracy of this information. Neither we or our information providers shall be liable for any errors or inaccuracies, regardless of cause, or the lack of timeliness of, or for any delay or interruption in the transmission thereof to the user.
