

Greetings to all our Student Members!

We are excited to start the summer and look forward to seeing many of you at both our student and professional events. As this semester comes to a close we wanted to fill you in on a few things and send you a few reminders. As you head into the summer, please make sure that you continue to check your emails from NABA NY as we will have additional information to share. Best of luck with finals and we look forward to seeing you soon!

Sincerely,
The Student Member Services Team

Graduating this year? You qualify for FREE NABA PROFESSIONAL MEMBERSHIP!

Congratulations to our graduating seniors!!!! If you're finally done with school and embarking on a new journey as a professional, remember that NABA offers a complimentary one year professional membership (once you provide proof of graduation) to our paid student members. Additional information on this benefit can be found at http://www.nabainc.org/assoc_subscribe.asp. Send us an email at studentservices@nabany.org and let us know if you are graduating this year and we will work with you to obtain this membership. Also, keep an eye out for information on NABA NY's annual graduation celebration.

Don't forget about the 2016 ERSC conference!!!!

This year's conference will be held **September 29th - October 1st in Pittsburgh, PA**. Last year, the New York student chapters represented and brought the most number of students! Registration will be open soon and the early bird catches the worm (or at least gets the best deal on registration). Continue to check <http://nabaer.org> for updates and details. Please reach out to vicepresident1@nabany.org or studentservices@nabany.org if you have any questions or issues related to registrations.

Remember that in order to attend the conference, ***paid membership and attendance at our Pre-Conference workshop is mandatory***. We are working with our corporate sponsor and with the Eastern Region to make sure that our programming is consistent with all other chapters and that you get the necessary information if you are unable to attend our session in person. Consistent with last year, the **NABA NY professional chapter will not be chartering buses**. We encourage you to leverage your networks and collaborate with other chapters to find transportation alternatives to get to Pittsburgh

AND THE WINNERS ARE.....

Congratulations to our student chapters at **Monroe College** and **SUNY Plattsburgh!** With an increase in membership of more than 30% each, they are the winners of our membership incentive drive. We will reach out to the board of those chapters with additional details on how to obtain the prizes.

We'd also like to extend hearty congratulations to all our **scholarship award winners**. Each of the following student members will be honored at NABA NY's Annual Scholarship and Awards Gala. As a reminder, each year in January, NABA NY opens up the scholarship application process. We strongly encourage all eligible recipients to apply next year!
