## About Our After School Program

St. Christopher School offers after care for our families. We provide a safe, wholesome, convenient and affordable environment for your children.

The program runs from dismissal to 5:30p.m. On a half day, you must provide a lunch for your child. In the event of an early closing due to inclement weather or other emergency, the program will close at 3:30p.m.

Children should bring a change of clothes. Sneakers must be worn during the after school program to participate in all activities.

The types of activities offered include: arts and crafts, organized games, free play (indoor and outdoor) and homework assistance.

## About Our Drop-In Program

Every now and then a parent who would not normally need the services of the After School Program finds they are in a situation where the program would be helpful to them. To accommodate these parents, we have instituted a drop-in component. This could be used for times when the regular day-care person is not available or some other situation has occurred. If you elect to use this service, your child would receive the same services as the other children in the After School Program. To register your child in the *Drop-In Program*, you simply complete a *Drop-In Registration* form. We do ask for 24 hours notice each time the program will be used, but if there is a family emergency or unexpected illness or appointment, please call the office and we will make accommodations.

Saint Christopher School does not discriminate on the basis of race, color, national or ethnic origin in the administration of its admission policies.
