This list of professional genealogists is provided for your convenience. The Library of Virginia does not make referrals. Please contact the researcher for information concerning fees and services.

Researchers on this list must provide verification of current certification by a board of genealogical certification. The researchers listed establish their own rates and work independently of the Library of Virginia. Any agreement entered into is a contract between private parties and does not include the Library of Virginia. Many researchers do not answer correspondence that is unaccompanied by a self-addressed stamped envelope.
