July Newsletter

Branch 616 trusts you all had a very happy Canada Day and managed to beat the heat! Visit us at the Branch if you need a break from the high temps this week – the a/c is working fine!

Anyone wishing to receive this Newsletter, please send an email including your full name to woodlawnlegion@gmail.com and we will be sure to add you to the mailing list.

General meetings have been suspended until September. The next meeting for the Ladies Auxiliary will be in August, jointly with the Branch.

Our Community garden project is off to a green start. Beans, peas and tomatoes are competing for sky territory. All our garden plots are occupied this year once again and all gardeners have lots of produce, tools and garden stories to share with each other. The edible flowers are doing well too.

The Branch has subscribed to the new West Carleton Online community newspaper. West Carleton Online is a subscriber-owned online community paper providing focus on West Carleton.

Kinburn native Jake Davies, our correspondent from the retired West Carleton Review, is the managing editor. For \$50 a year, plus HST, subscribers will have unlimited access to West Carleton news, community information and beautiful photography provided by award-winning journalists. Subscriptions include free posting on the West Carleton Online Events Calendar, Local Business Listings, and Classified Ads. Sign up for email alerts and get the headlines delivered to your inbox every morning and access to the largest network of West Carleton residents. To subscribe and take advantage of this brand-new way to get your West Carleton news, sports and community information delivered to your home, phone and place of work, all day, every day, visit (westcarletononline.com).

Everyone stayed cool thanks to our excellent a/c system.
