## *- The Details -*

The Harbour Banquet and Conference Centre is a fully licensed venue. We offer a full service bar and smart serve certified bartenders. We offer a wide variety of bar packages and services that are tailored to suit your event.

For wedding packages, we have accounted for a host bar within our packaged pricing. For other bar services that are not included in packages or to deviate from package offerings, we do accommodate from the choices below.

### **Host Bar (Flat Fee Or Consumption)**

All alcoholic beverages for your particular event are paid by the host. Bar staff and all garnish necessary are provided by the Harbour Banquet and Conference Centre at no additional charge. A minimum bar consumption total is required to be met and a service fee will apply.

### **Cash – Ticket Bar**

You may decide to provide a cash bar for your event. Guests will purchase tickets for their beverages either by cash, debit or credit card. You can choose to offer your guests complimentary beverages with a cash/ticket bar in place by simply distributing pre-paid tickets to your guests in advance. Bar staff and all beverage garnishes are included at no additional charge.

### **Host / Cash – Ticket Bar**

You may decide to combine the above. For example, by providing a host bar reception with wine service during dinner, followed by a cash-ticket bar service to conclude your event.

### **Non-Alcoholic Beverage Bar**

The nature of your event may have you decide to offer a non-alcoholic bar that will include unlimited juices, sparkling and spring waters, soft drinks, coffee and tea.
