Letter from Ulysses D. Murray
September 18, 1987

Dear Barbara & Norman,

Please inform the members of the MSRT that I regret very much that I will be unable to attend the convention this year.

I am improving but am not yet well enough to resume any activities. The stroke left me with some disabilities that make it difficult for me to communicate as I once did. I also continue to have some difficulty walking and am using a walker most of the time.

I had to have surgery again on my eye but expect to get new eyeglasses soon.

Also, please convey my best wishes to the membership for a very successful meeting.

Yours truly

Ulysses D. Murray

October 9, 1987 Minutes - MSRT Post-Conference

The post convention Board of Directors meeting was called to order at 11:30 pm on October 9, 1987 by President and Chairman Barbara Hente.

Those Present:

Barbara Hente, President and Chairman of the Board
Darrell E. McKay, President-elect
Michael D. Ward, Senior Board Member, Junior delegate to ASRT
Gary McDaniel, Vice-President
Judith Taylor, Secretary
Debra Hurst, Treasurer
James Watson, Senior delegate to ASRT
House of Delegates
Dan Cantrell, 5th District Representative
Rita Montgomery, 6th District Representative
Jennifer Ewert, 7th District Representative
Norman L. Hente, Conference Coordinator, Parliamentarian
Susan Wagy, Student Affairs Chairman
Cindy Daniels, Membership Chairman

President Hente indicated concern for the budget accepted for 1987-1988. She requested any financial results of the meeting that are available. Annual Meeting Chairman Lee Ann Ackerman stated that although no final figures are available preliminary figures suggest a profit will result.

Treasurer Debra Hurst asked for information about a bulk mailing permit to be used for mailing items to renewing and new members. Information was given to Debbie regarding the requirements for bulk mailing.

Discussion was held as to the location for the 1988 Annual Meeting. Dan Cantrell reported that some members of his district has indicated interest in hosting the 1988 meeting but had received criticism from members of other districts who felt Joplin was inappropriate. The Board requested Dan to carry a verbal apology to those members when he met with them at their district meetings.

Guidelines were adopted for the Conference Coordinator position and general responsibilities were discussed. A centrally located site was suggested for the 1988 meeting. Discussion followed regarding Jefferson City. Kansas City was also introduced as a possible site. Norman will investigate Kansas City, Jefferson City and Columbia for possible locations for the 1988 meeting. FOURTH DISTRICT News

The September meeting of the Fourth District was held September 17, 1987 at 7:30 P.M. at St Louis Community College at Forest Park. The featured speaker was Pat Bozdech, RN of St Louis University Hospital. She spoke on "Aids Management for Health Care Workers".

Six meetings are planned for this year. One regular meeting will be a dinner meeting and of course we will also have our June banquet and installation of officers.

In May a meeting is planned at Mallinckrodt Diagnostics which is always enjoyable. A spring seminar is planned again for this year because the one last year proved so popular.

56th Annual Conference

October 26-29, 1988

Holiday Inn Executive Center

Columbia, Missouri
Message From The President

To the MSRT Membership,

As your President I would like to let you know some of the things your officers and Board of Directors are doing. We are all quite busy with the planning of our 1988 Annual Meeting.

The Columbia Holiday Inn Executive Center (I-70 and Stadium) has been chosen as the location for the 1988 Annual Meeting. This site offers all the facilities we will need to hold our meeting as well as some exciting extras. There is an on-site disco, a 24 hour coffee shop, swimming pool, whirlpool, nicely appointed rooms, etc. There is something for everyone and we are sure you will be pleased with the Holiday Inn.

There have been increased donations to the scholarship fund. Most donations have been made by technologists in remembrance of friends or relatives who have passed away.

Membership Chair Cindy Daniels is in the process of updating our brochure to reflect the changes in dues which will begin for 1988-1989. We also have changes in the educational programs in Missouri and the brochure will reflect these changes.

Nominating Chair Mary J. Feldhaus will be contacting the membership in a few weeks asking for 1988-1989 nominations for MSRT officers. Now is the time to start thinking about seeking office in your society. Remember, self-nominations are welcomed and encouraged.

The Ways and Means Committee chaired by Ron Bourne welcomes any ideas or thoughts you have regarding methods to increase the income for the MSRT. Drop Ron a note with your ideas.

Susan Wagy, Student Affairs Chairman, is preparing information for all the program directors in Missouri. Susan will keep the program directors informed about the scholarship, essay and exhibit competitions, and some other new ideas/activities that have or are being planned for students. She is working with Scholarship Chairman Darrell McKay to coordinate some of the efforts regarding the student scholarship. In a later publication we will be announcing an additional scholarship available to students.

There is renewed interest regarding legislative activity for radiologic technologists. Be assured that your Board of Directors is aware and we seek your input. Drop me a note with your thoughts regarding legislation affecting technologists.

For your information, Mr. Ulysses Murray has returned from an extended out of state visit. Mr. Murray is at his home and I am sure he would welcome correspondence from his fellow technologists.

Please contact me or any Board member if you have questions, concerns or ideas regarding your Society. Your input is valuable and necessary.

Barbara W. Hente, BA, RT-N, CNMT
