

IOSDEVUK 2017

SPONSORSHIP

Platinum sponsorship

For £3,000 you can sponsor the Conference Dinner. We will headline your name/logo on the website and feature it in the programme as our Platinum Sponsor, and distribute publicity material provided by you in the iODevUK goodie bag.

Gold sponsorship

We are looking for 2 Gold sponsors to provide £1,000 each to sponsor the Conference Dinner drinks or the iODevUK Hack. We will publish your name/logo on the conference programme and the website as a Gold Sponsor, and distribute publicity material provided by you in the iODevUK goodie bag.

New - Community sponsorship

iODevUK is a great opportunity for team building - why not bring your dev team AND sponsor us for less than the price of a WWDC ticket. Four conference tickets with accommodation plus billing as a community sponsor for just £1,500.

What you are supporting

UK's largest and longest running iOS development conference is now in its 7th year. Events will start at 4pm on Monday 4th September, and finish at midnight on Thursday 7th.

Principles of Sponsorship

We price the conference as low as possible to make it available to all developers, and use the sponsorship money to improve the experience for the attendees.

Benefits of Sponsorship

Direct access to 200 of the top iOS developers. Indirect access through twitter etc to many more (our sponsor FF tweets last year were retweeted to some 10,000 others).

“Free” sponsorship opportunities

If you want to provide physical items such as t-shirts or mugs to the attendees, we are likely to be happy to distribute them to attendees in their goodie bag without charging you for the privilege (but please arrange with us well beforehand). If you want us to pass out promotional material as well, please consider one of the deals on the left.

Interested?

If you are interested in sponsoring iODevUK, please contact Chris Price to arrange it and to discuss any details you wish to know more about: chrisinaber@gmail.com.
