

Accommodation Information

If you purchased a Conference Package (rather than just a Conference Ticket), then it includes a room in Rosser Hall on the main Aberystwyth University Penglais Campus from Monday 4th September for 3 nights. If you have purchased additional nights, it will be in the same accommodation.

This page tells you how to find that accommodation and what else is included.

Checking in

Check in begins at 15.00 on your arrival date. Please collect your keys from:

- Fferm Penglais Reception from 3pm-6pm on Monday to Friday - this is shown on the attached map, or is "Accommodation Reception" in the iOSDevUK App.
- Main Campus Reception at any time outside of hours (it is manned 24 hours a day) and over weekend - shown on map or "Porters Lodge" in the iOSDevUK App.

If you are arriving by train for the afternoon seminars on Monday 4th, best strategy is probably to go straight to the Computer Science Building, and check in after the seminar at the Porters Lodge.

Checking out

Check out is 10am on the day you leave. If you are checking out Thursday and coming to the conference, just bring your keys with you and we will collect them and look after your bag through Thursday morning. Otherwise if you are leaving before 8:30 in the morning, return your keys to the Porters Lodge, if leaving after 8:30, return them to Fferm Penglais Reception.

Breakfast

Breakfast is included in the price of your room, and is 8am to 9am in the TaMed Da restaurant in the Penbryn building (on map - marked Breakfast in iOSDevUK App).

Other information

The following amenities are also available and included in the cost of your stay:

- Bed linen and a towel
- Free on-site Parking (see separate sheet for car parking info)
- Free sports facilities including gym, swimming pool and sauna (ask for Sports Card on check-in)
- Kitchen Utensils (Flats are split into 8 rooms with a shared kitchen)
