Region and State Conference
Code of Behavior/Responsibility

All students must sign and obtain the signature of their parent/guardian on the MD-TSA Dress Code and Code of Behavior form. The completed form must be handed in to the chapter advisor prior to the conference, and the chapter advisor will maintain a copy of this form for the duration of the conference. This completed form must be available for the State Conference Director and/or the State Advisor upon request.

All members attending any TSA function are expected to comply with the regulations listed below:

1. All members attending any TSA activity must conduct themselves as ladies and gentlemen at all times.
2. Students must dress neatly and in good taste at all times, following the Dress Code throughout the duration of the conference.
3. Students must wear identification badges at all times.
4. Students must keep their advisor/chaperone informed of their activities and whereabouts at all times.
5. Students should be prompt and prepared for all activities.
6. The possession and/or use of any controlled substance (i.e. alcohol, drugs, tobacco, etc.) is prohibited.
7. Gambling, of any kind, is prohibited.
8. Students must not leave the conference site or lodging area without the permission and/or accompaniment of their advisor/chaperone.
9. Students must attend all general sessions and activities for which they are assigned/registered. This includes workshops, competitive events, committee meetings, etc.
10. Students attending overnight conferences must observe the established curfew for that conference.
11. Students not staying at the hotel must leave the hotel grounds by curfew or immediately following the last scheduled event. A surcharge is added for commuting to most overnight conferences.
12. All phone bills or room charges for hotel rooms will be shown on the individual room bills and must be paid by the student or chapter.
13. Male and female students are not permitted to visit in each other’s room unless an advisor/chaperone is present.
14. Defacing of public property is prohibited. Any damages to property, furnishings of the hotel rooms, or conference complex must be paid by the student or chapter responsible. Damages to the hotel rooms will be the responsibility of the assigned student(s).
15. Students are reminded that the state and school weapon policies are in effect while attending the conference. Any student found in violation of these policies may face legal charges and/or expulsion upon return. (X-acto knives, utility knives, and other potentially dangerous tools should be kept by advisors and used only under adult supervision.)
16. Tobacco and tobacco-related paraphernalia are prohibited.
17. All students are required to follow the instructions of any properly identified advisor, teacher, chaperone, or conference staff member.
18. Guests are permitted in open/authorized activities and should obtain a guest identification badge upon arrival to the conference. Guests are not permitted in hotel rooms.
19. Accident insurance is the responsibility of the student (parent/guardian).
20. A TSA Conference is an extension of the school day, thus all school rules/policies are in effect and anyone found in violation of these rules/policies will be dealt with accordingly.

Failure to comply with these rules may result in the student and/or chapter being sent home at their own expense. Depending on the violation, further dealings with the advisor, principal, State Conference Planning Team and/or the MD-TSA Board of Directors may be necessary.
