

Welcome to Fourth Grade!

We are looking forward to having you in our classes next year! Here are some items that you will need next year. Some of these items will be available in the classroom, but in limited quantities. Due to cutting costs within the school district, some supplies will be unavailable that the school previously provided. We thought it would be nice to give you the list early, so that way if you find a good sale this summer you can pick them up! Enjoy your summer and we can't wait to see you in the fall!
