

Fifth Grade Outdoor Education

I'm Third.

Outdoor Education!

5th grade Camp/Outdoor Education is an experience that will be unforgettable for any student that participates. Potterville 5th graders will be able to refer to and discuss his/her camp experience for years to come.

Options to Fundraise

Throughout the year, each family will be given opportunities to fundraise the money needed for camp. We encourage you to take advantage of these opportunities. For each fundraiser, the money that your child earns will be placed directly into his/her account.

Early Fall - Candy Sales - Students receives 40% of the amount into his/her account.

Fall - Coupon books - Student receives 40% of the amount.

Catalog order - Student receives 40%.

Mr. Bush bushjp@pps.k12.mi.us

Mrs. Woloszyn woloszam@pps.k12.mi.us

Price Per Student

Each student will have his/her own account established. Profit made from fundraisers will be put into this account, along with any personal money sent in from chores the student does at home, lawn mowing, etc. 100% of the personal money put in by the family will be placed into the account.

Parents - it's a great idea to get the kids involved this summer. Have them mow lawns, collect cans, etc. to help raise the money to send them to camp. Students should have a canister at home to store the money in. Have them keep track of how much they have earned and how much more they need. Great math lessons!

- Cost - \$220
- Dates - April 9-13
- Money due - March 16

Typical Day at Camp

7:00 - Students will wake up to shower, clean the cabin and get ready for the day
