III. COSTS, FEES AND GOOD FAITH DEPOSITS

In accordance with the Act, the District charges a fee for providing copies of public records. Individuals who are indigent may receive a waiver of the first \$20.00 of the fee upon verification of indigence or public assistance status.

The District shall establish fees with charges for mailing and duplication, including labor, for providing public records according to its FOIA Fee Schedule. The following is an overview of permitted fees:

1. Mailing: Current actual cost of first class postage
2. Copying/Duplication: starting at \$.10 per page
3. Cost of non-paper physical media for data
4. Labor: Hourly wage rate, including benefits (50%), of the lowest paid capable employee for search, examination, review, separation and deletion of exempt from non-exempt information.

Actual mailing costs will be charged. The District shall use the most economical means for making copies. Labor will be calculated in 15 minute increments. If specialized knowledge is required to search, examine, review and separate exempt from nonexempt information, then, the labor costs will be calculated using the hourly wage, and 50% of fringe benefits, of the District's lowest paid specialist, technical, management or executive class employee capable of performing the necessary tasks. Contracted labor costs shall not exceed 6 times the state minimum hourly wage.

Good Faith Deposits

If the fees required to fulfill a request are reasonably expected to exceed \$50.00, a good faith deposit of one-half of the total estimated fee is required. A requestor who has not previously paid the District for requested records will be required to pay a one hundred (100%) deposit. The District will require payment of the fee in full before releasing the requested records.

A written denial must: a) state the basis under the Act or other statute that the records are exempt, if that is the basis for denial; b) certify the record does not exist, if that is the basis for denial; c) describe information/records redacted from disclosure where information/records are redacted; and d) provide a full explanation of the requestor's right to seek an appeal or judicial review, including the right to attorney fees.
