Anchor Club of the Year Submission Instructions

The Anchor Club of the Year Award is given to the Anchor Club who shows quality and excellence in the club and its activities throughout the year. The award is based on, but not limited to projects including and hands on service, club leadership and operations, community visibility of the club and its activities, and leadership development of club members.

Requirements:

1) The Entry Form MUST be completed by the Anchor Membership, with minimal assistance of the advisor.

2) The Anchor Year will consist of anything completed from April 1st of the previous year through March 31st of the current year. Some District Deadlines may be prior to March 31st. Projects completed prior to March 31st may be included as “proposed projects” with as many estimated details as possible for District Judging. However, the District Winners MUST provide completed and updated project details for the International Entry, "proposed projects” will not be accepted for International judging.

3) Entries may be electronic or a booklet for District Judging (check with your District for any specific instructions) but MUST be electronic for Pilot International Judging.

4) The items must be in the order as specified on Page 2 of the Entry Form. For each item found to be out of order, 3 points will be deducted from the total score.

5) Each District or Non-Anchor District within a Pilot District is allowed to submit one entry for Clubs with Membership under 40 and one entry for Clubs with Membership of 41+. Clubs must submit the entry for District Judging by the deadline set by their specific District. The Non-Anchor Districts need to be judged by their Pilot District Awards Jury or judges chosen by the DEC/DAC. The two winners from each District and Non-Anchor District (one for Membership under 40 and one for Membership of 41+) will be submitted by the club for judging at the International Level.

6) Electronic entries are to be zipped and emailed to anchor@pilothq.org or uploaded to a file sharing application such as Google Docs. We highly recommend using electronic return receipt feature for emailed entries. All entries DUE no later than 5pm on April 15th.
