Starting January 2017, NUMU will host monthly events for visitors ages 21+ every third Thursday from 6pm-8pm. Participants are invited to try their hand at art activities while enjoying the evening's featured beverages and light fare provided by area wineries, breweries, mixologists, restaurants and food purveyors. Visitors are also invited to explore and mingle throughout the museum's art and history galleries on self-directed or docent-led tours.
