

MEDIA DISCLAIMER

The content available on this website is not intended nor implied to be a substitute for professional medical advice, diagnosis, or treatment. Please seek the advice of a physician or other qualified healthcare provider with any questions you may have regarding a medical condition or future use of our product(s). You should consult your own physician or your local healthcare provider regarding your own symptoms, medical condition, treatment or medications. If you have or suspect that you have a medical problem, you should contact your own physician or local healthcare provider immediately. Information provided by this website is intended for adults 18 years of age or older.

Captozyme retains the right to remove this page and its content at any time. Please check often for updates, as we may modify these terms of use on an ongoing basis. We encourage open discussions and look forward to any comments, stories and experiences you want to share. We are not able to respond to every comment, particularly those that deal with individual medical cases and issues. We appreciate the interest patients, healthcare professionals and other users of this website have in learning about our products and our company.
