International refugee protection responsibilities highlighted UT United Nations General Assembly document presented Tina Park

Aggressive "action" pointed out the need

"No more 'did not know about Syria' can not be an excuse. This is because of our no-result due to reaction and ignorance unfolds before your eyes.

"Discussion foundation PhD and you hold Korean Tina Park in the last eight days open Responsibility to Protect in New York, the UN General Assembly (R2P · Responsibility to Protect) in the relevant events in Syria announced to the refugee crisis.

Responsibility to Protect is to mean that the state is responsible to the international community, going back to when you can not not protect the human rights of the people.

Park is also important batahjuneun damage refugees a "risk but that a permanent solution not "said" one of the three pillars of protection responsibilities inde response time and determination in our response to the fact that Syria is four years late. The public's eyes tteuin should move now accept resilient, "he said.

He, while urging the movement of the Korean Canadian," that (Syrian refugee crisis is), copper away day 'called to inde such human rights violations apt to think is happening in North Korea If you think that it can be seen that're not what we and far, "he said.

Mr. Park has" not decided the country only wait for individuals to move directly "and" Creating an Internet post or participate in the petition movement, or Facebook, Twitter, etc. helpful to the continuing dialogue on this situation through social media, "he said.

since 2012 came to help protect responsibility related report of Ban Ki-moon, UN Secretary-General Mr. Park has this thing, and the announcement came to attend the general meeting from next year This is the first time

Mr. Park explained the process to go through teumyeo the mul eech to the Syrian refugee boy Alan Ku reudi talk found dead west Turkey beach t :rnational community to move the protective responsible behavior

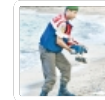

embraced for the Responsibility to Protect, government · strengthening cooperation between academics, media, business, etc., such as education and cited resources devoted to such training.

announced specializing in 'CCR2P (Canadian Centre for the Responsibility to Protect)' websites (ccr2p.org/ccr2p-at-un) it can be found at.

CCR2P the Park will promote dialogue through the protection responsibilities conference in 2010 co-founded a non-profit research organizations, and academic activities and activities aimed at implementation.
