

OPTION 2: ELECTOR PARITY

This option prioritizes the people who elect the Trustees and not the total population. TDSB Trustees are elected by public school supporters who make up approximately 62% of the total population of a City ward. Trustee Wards (TWs) are identified by the prefix "2" to indicate that they belong to Option 2: Elector Parity.

TDSB TRUSTEE WARD BOUNDARY REVIEW: OPTION 2 - ELECTOR PARITY

Variation in Electors	Variation in Number of Schools	Variation in Number of Students
Good balance. Range: 63,791 electors to 93,972 electors. 19 Trustee Wards fall within a +/-15% variance range.	Large variances. Range: 9 schools to 39 schools. 9 Trustee Wards fall within a +/-15% variance range.	Extreme variances. Range: 3,729 students to 15,770 students. 8 Trustee Wards fall within a +/-15% variance range.
