

1841

BAR · RESTAURANT

1841 was the year which this great community of ours was settled by Frank Johnson. 1841 Bar and Restaurant is here to bring good old fashioned local hospitality to Johnsonville and the wider Wellington Community.

With a hearty menu, a variety of top beverages, weekly entertainment, plenty of live sport and gaming, Jono and the Team at 1841 aim to please everyone from the family group through to the hardened sports fan.

The northern suburbs are where we raised and schooled, it's our home, our work, and our community. We look forward to providing the neighbourhood and those visiting with a good value offering, whilst maintaining a high quality product. You can expect a warm, professional service from the minute you arrive, to the minute you leave!

We pride ourselves on providing our guests with some good, honest, kiwi hospitality. We may not always get it right, but we try damned hard to do so.

We do hope you have enjoyed your visit and look forward to seeing you again.
