

WEST ASHEVILLE ART WALK

The West Asheville Art Walk exists to support local artists through providing free space to sell artwork in partnership with local businesses. We strive to foster an environment that leads to connections among artists, community members, and business owners. We encourage you to purchase artwork and support local business.

The All Go West, free music festival is also happening today at venues on Haywood Rd.

Hosted by: Provision Asheville, a non profit organization seeking to build community through service.
