

CREATING NEW RITUALS

Amity Vineyards sits atop the Amity Hills in the Willamette Valley, the heart of Oregon Wine Country. The first vines were planted in 1971, and as a consequence, our Pinot Noir, Pinot Blanc, and Riesling are produced from some of the oldest vines in the state. Ryan Harms from Union Wine Company and his brother, Eric Harms, have brought new energy to the winery after purchasing it in 2014. Eric concentrates on the business side of things, allowing Ryan to focus solely on producing the wine.

The 2014 vintage started off warm, bud break was early, and vineyards went through flowering under ideal conditions. Warm, dry conditions persisted throughout the season and resulted in the warmest summer on record. The unusually warm weather continued into the harvest window as we began to pick under optimal conditions. This was a rare year as both quality and quantity of fruit was very high. The resulting wines are showy with ripe fruit flavors and great concentration.
