One of three designs selected for production out of 20 by Kikkerland Designs. Sponsored by RIT, Bed Bath & Beyond, and Kikkerland Designs.

Designing for the Office Nomads
Finalist
One of five finalists out of 105 entrants designing new office spaces for the mobile worker. Sponsored by Herman Miller and Unbranded Designs.

Wanted Design Launch Pad
Exhibitor
Selected as an upcoming designer to showcase products during NYCxDESIGN in Wanted Design's showroom. Chosen as one of 26 exhibitors.

RIT Success by Design
Exhibitor
A pop-up gallery in the SoHo NYC Lazzoni Showroom dedicated to the future and past success of the Rochester Institute of Technology Industrial Design program.

RIT T-Minus 151
Best in Show
A team competition with Allegion and Schlage. Designed door handles for aging populations.

EXPERIENCE

Bed Bath & Beyond / Kikkerland Design 2014
Metaproject 05
A collaborative project between RIT, Bed Bath & Beyond, and Kikkerland Design, Metaproject 05 focused on rapid development of products for a college demographic and manufacturability. Final prototypes displayed at ICFF in NYC.

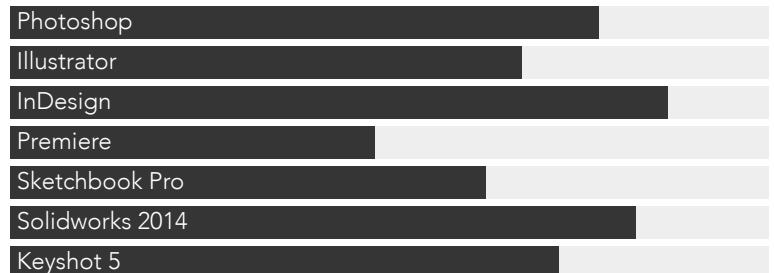

RIT Information Technology Services 2012 - 2015
Computer Lab Assistant
Supervised Macintosh and Windows labs with 30+ users. Assisted in various tasks including printing, scanning, software issues, and problem diagnosis

Scandinavian Furniture Design 2014
Student, Designer
Delved into Scandinavian culture and design history. Designed and crafted a prototype chair in a compressed time frame embodying the learned design principles.

RIT Ambulance 2012 - Present
Public Relations Director, Driver
Provided Basic Life Support services to the RIT campus, managed the agency's social, print, and publicity campaigns.
