2011 CALIFORNIA ZINFANDEL

VINEYARD NOTES:

2011 was a long, cool vintage in most of the California AVA. The fruit we get from Lake County comes from red soils that tend to make for high-toned fruit without the searing acidity. The vineyards in Solano make up backbone in the wine and add in the Asian spice component along with earthier nuances. Yields were super low for a second straight year.

TASTING NOTES:

Ruby red in color with high-toned nose of currants, red raspberry, wild strawberry, and Asian spice with a touch of dusty earth. Medium bodied flavors of red raspberry and currant follow through with hints of baking spice, citrus and garrigue. Finishes long and lean.

Alcohol: 14%

TA: .58

pH: 3.70

4000 cases produced.
