

# MANIFESTO

2013 SAUVIGNON BLANC  
NORTH COAST

↔ Vineyard Notes ↔

The 2013 vintage was another wonderful year in the vineyards up and down California. An early and warm start to spring, plenty of sun throughout the summer, and a mid-August spike of heat provided the rare combination of high yields with high quality. The Lake County fruit makes its mark with hints of melon, while the Suisun fruit delivers floral and citrus notes.

↔ Tasting Notes ↔

Subtle floral notes lead the charge with hints of lime blossom, gardenia, Ruby Red grapefruit, tangerine, and ripe melon. The palate has big, complex flavors of Key lime, and orange Creamsicle, with a bright, lingering finish of freshly squeezed citrus.
