

AVIARY

NAPA VALLEY

OUR STORY

Founded by Gregory Ahn, Matt Scarlett, and Jonathan White, Aviary Vineyards is our expression of Napa Valley and the quality that has made wines from this region so sought after. Having worked with some of the most successful wine companies in the world, it is a dream come true to introduce our first wine from Napa Valley.

Much like an aviary, the blend of different grape varieties, terroirs, and vineyards interact and harmonize in each blend to create wines that are beautiful, enjoyable, and captivating. Each component of our wines are wonderful, but together, they combine into a truly great experience.

We hope you will enjoy Aviary Vineyards and we invite you to contact us with your comments and questions at

WINEMAKING NOTES

The 2013 Napa Valley harvest was the second nearly ideal growing season in a row allowing for the fruit to ripen fully and evenly. Praised as having nearly ideal conditions, the 2013 vintage is a worthy, if not superior, successor to the 2012 vintage. Across the board, 2013 was another classic growing season with excellent quality and large quantities. This is wine that will be enjoyable now through 2020.
