

AVIARY

NAPA VALLEY

OUR STORY

Founded by Gregory Ahn, Matt Scarlett, and Jonathan White, Aviary Vineyards is our expression of Napa Valley and the quality that has made wines from this region so sought after. Having worked with some of the most successful wine companies in the world, it is a dream come true to introduce our first wine from Napa Valley.

Much like an aviary, the blend of different grape varieties, terroirs, and vineyards interact and harmonize in each blend to create wines that are beautiful, enjoyable, and captivating. Each component of our wines are wonderful, but together, they combine into a truly great experience.

We hope you will enjoy Aviary Vineyards and we invite you to contact us with your comments and questions at

WINEMAKING NOTES

The 2013 Napa Valley harvest was the second nearly ideal growing season in a row allowing for the fruit to ripen fully and evenly. Praised as having nearly ideal conditions, the 2013 vintage is a worthy, if not superior, successor to the 2012 vintage. Across the board, 2013 brought concentrated flavors along with rich and juicy tannins. This is wine that will be enjoyable now through 2026.

Our 2013 Aviary Cabernet Sauvignon is dark garnet in color with aromas of dried plums, blackberry jam, cassis and cherry cola. The nose has undertones of almonds, smoke, and a dusty tobacco leaf. The round palate features flavors of dried plum, blueberry pie, dark chocolate, and a subtle tea leaf that lingers. Enjoy this wine on it's own, with food, or curled up by a fire with loved ones.
