TEA

CHINESE

SUM YI TAI PREMIUM TEA 9
(SERVED FROM THE POT)

SPRING KING TIE GUAN YIN

The name reflects the vibrant color and beautiful shape of the tea leaves, each resembling a tiny piece of green jade. It has a sweet honey note with a hint of floral taste. Refreshing, mild but lasting floral aftertaste.

IMPERIAL PU ER

Our unique, custom-produced Imperial Puerh consists entirely of painstakingly hand-crafted tiny, shimmering golden leaf buds, making it one of the world's rarest and most difficult teas to produce. With a light and delicate aroma, it yields, once infused, a very strong, rich and earthy flavour.

JASMINE PEARL

A premium grade made with tender spring-harvested green tea buds, hand-rolled and infused deeply with fresh jasmine flowers harvested at their peak aroma. Jasmine blossoms open during the evening, and are layered amongst tea leaves to impart their delicate fragrance.

CHRYSANTHEMUM

Chrysanthemum tea, a natural coolant, is known to offer a lot of benefits. This tea is made from tisane, which is fresh or dried foliage and flowers from the yellow or white variety of chrysanthemum. Exceptionally soothing and refreshing flower tea with notes of honey.
