PRAYER WARRIOR COVENANT

I, _____, after careful contemplation and much prayer, know that the Lord is asking me to commit myself to becoming a prayer warrior.

I comprehend the duties that have been called of me to do. I will commit to one hour a week(or more) for one year as I join others, who have made this covenant as well, to pray for revival and spiritual awakening. I make this covenant that I will faithfully take my hour seriously in prayer and intercede as God leads me. Each week I will also call whomever follows me on the wall and will pray as they begin their hour.

Finally, I ask the Lord to grow me and strengthen me as I fulfill my commitment. I eagerly accept my hour and await the challenge, power and blessing that come from the ministry of prayer.
