The P.E.E.R. Project engages young policymakers and partners across sectors to take action now to safeguard upcoming elections while protecting voters as they conduct their civic duty. The Millennial Action Project (MAP) is mobilizing our bipartisan network of 1,500+ young elected officials around efforts to safeguard the 2020 elections, through policies such as vote-at-home. In April, bipartisan legislators from 19 states across the country signed onto an open letter urging their colleagues and Congress to support safe voting. READ THE OPEN LETTER

STATE HIGHLIGHTS

OHIO
Founding Future Caucus Co-Chair and Secretary of State Frank LaRose led the bipartisan Ohio Controlling Board to authorize that all 7.8 million voters in Ohio are mailed an absentee ballot request form for the November election.

WISCONSIN
MAP helped foster bipartisan support in the Wisconsin legislature for Wisconsin elections commission to send absentee ballot request forms to 2.7M voters.

IOWA
Following the VoteSafe Iowa initiative, our Iowa Future Caucus Co-Chairs took the lead in a state-wide effort to educate their constituents on new absentee mail-in ballot request procedures.
