Knowledge Map

How do we acquire knowledge?
(i.e. documentation, meetings, forums, networks, education, collaboration...)

How do we organise knowledge?
(i.e. system, mapping, cataloging, portals, project management tools...)

How do we apply knowledge?
(i.e. processes, frameworks, methodology)

How do we share knowledge?
(i.e. social events, lunch & learn, conferences, dialogue...)
Knowledge Map Part 2

How might we improve acquiring knowledge?

How might we improve applying knowledge?

How might we improve organising knowledge?

How might we improve sharing knowledge?
