

# Chad Relief Foundation Newsletter

*A few people, a few dollars, a few trips  
and Chad Relief has completed nineteen  
projects in aid of refugees from the CAR  
living in five camps in southern Chad.*

## April 2014

Donor of the Year - Sydney Grignon, age 11.

Sydney lives in Half Moon Bay, California. Writing a school paper on infant and childhood mortality, Sydney found out that Chad has the world's worst record. She decided to do something about it and started Coastside Helping Hands. She built a website (<http://cshelpinghands.wix.com/coastsidehelpinghand>) and found CRF on the internet. We told her about the need for housing for

refugees with special needs. Sydney and her friends raised enough money, primarily through bake sales, to build seven houses (\$878). The houses are now under construction by our partner, the Lutheran World Federation.
