

The Diamond Standard

Diamond Dance Works in cooperation with Innovative Memories brings you the opportunity to own a copy of The Diamond Standard recital on DVD & Blu-Ray. The recital will be recorded in widescreen using a professional high definition video camera for the best possible footage. The video will be professionally edited into a quality video that you can enjoy in Standard and High Definition. Orders will be delivered to the studio in about 1-2 weeks after the recital. Order yours now so you can enjoy your dance recital for years to come.

All discs will be made with recordable media and are playable in most DVD and Blu-Ray Players. Check your model number online for compatibility.

Fill out the information below and turn this in with your payment. Orders should be turned in by the night of the recital. The videos will take about 1-2 weeks to publish. Once completed, the videos will be delivered to the dance studio.
