Lectors: Pastor Cindy requests the lector proceed to the lectern as quickly as possible to begin the scripture readings. Also, please be at the lectern to begin the Prayers of Intercession as soon as the Creed has ended. If possible, move up the side aisle (choir side) as the Creed is being spoken, accessing the chancel area on the left side opening at the altar rail and proceed to the lectern.

Ushers: Each week before the service an usher should ask three individuals to serve as gift bearers to carry the communion wine, grape juice & bread forward to the Pastor at the appropriate time in the service (noted in the bulletin). Also, it is helpful if you sit at the back of the church to be available to operate the elevator if someone leaves church before the end of the service. If you need instructions on operating the elevator, see Bill Moore or George Hoopengardner.
