Description

Science Venture instructors are a team of dynamic, passionate and engaging leaders who are committed to delivering hands-on science, technology, and engineering (STEM) programs for youth. Our team strives to provide high-quality high-impact programs to youth in our community, so they can build confidence and be successful in their future.

As an Indigenous STEM Outreach Instructor, you will be responsible for developing and delivering science, technology, engineering and math curriculum to Indigenous youth in the Greater Victoria Region. Instructors will be responsible for engaging youth from the following communities: Tsawout Nation; Songhees Nation; Tseycum Nation; T’Sou-ke Nation; Tsartlip Nation; and the Victoria Native Friendship Centre.

As a Science Venture Instructor, you will be responsible for:
- Developing and delivering locally and culturally relevant science workshop curriculum
- Completing write ups for projects developed
- Deliver sessions at after school clubs and events in the community
- Deliver on campus workshops (e.g. for Aboriginal High school student visits)
- Plan and deliver Pro-D Day camps
- Follow safety procedures and protocols

This work term at Science Venture will have Three main components:

Training & Curriculum Development (2 weeks in September)
Participating in training sessions. All instructors will receive training in behavior management, diversity, and best practices. Learn, modify, and create innovative STEM content for communities and clubs.

In-School Workshops/Clubs (10 weeks in October - December)

Debrief, Reporting, Clean Up (December)
Debriefing post program delivery, ensuring statistics are collected. Update lesson plans based on community feedback. Organize and inventory delivery materials.
Eligibility Requirements

Applicants must:

- Be pursuing or recently completed a University degree (Science, Engineering, Computer Science, or Education, Indigenous Studies, Child and Youth Care preferred)
- Pass a Criminal background check when hired
- Complete First Aid training with CPR C

Assets:

- A Valid Class 5 BC License with no restrictions (i.e. no “L” or “N”)

Candidates should have experience working with children and youth in educational or recreational settings, and have a strong ability to deal with behavior management issues. This individual should have outstanding leadership, organizational and communication skills (both written and verbal). This individual should have proven creativity when dealing with diverse situations.
