Imperial Collection Transfer Bench

- Larger and deeper seat than your standard transfer bench
- Durable blow-molded plastic bench and backrest
- Seat has curtain cut-out and accessory tray
- Designed to meet the requirements of HCPCS Code E0248
- 400 lb maximum weight capacity*
- Item No. 7929, 7929-1

Padded Transfer Benches

- Comfortable, cushioned seat and backrest are watertight and easy to clean
- Side support arm aids in lateral transfer
- Seat height is adjustable in 1" increments
- Comes assembled with tool-free arm and back attachment
- Designed to meet the requirements of HCPCS Code E0247
- 300 lb maximum weight capacity*
- Item No. 7955A, 7955A-1

Padded Commode Transfer Benches

- Comfortable, cushioned seat and backrest are watertight and easy to clean
- Comes with commode seat, pail and lid
- Side support arm aids in lateral transfer
- Seat height is adjustable in 1" increments
- Comes assembled with tool-free arm and back attachment
- Designed to meet the requirements of HCPCS Code E0247
- 300 lb maximum weight capacity*
- Item No. 7956A, 7956A

RAISED TOILET SEATS & RISERS

The Lumex® Raised Toilet Seats are designed to provide comfort and stability to those who have difficulty sitting down or standing up from a toilet.

These seats, which will fit most toilets, are designed to meet the requirements of HCPCS Code E0244.

Everyday Raised Toilet Seat

- Lightweight and portable
- Adds 4.5" to toilet seat height
- Item No. 6909A, 6909A-1

Locking Raised Toilet Seat

- Front clamping mechanism locks securely to the toilet to prevent seat shifting
- Wide, contoured seating surface is comfortable
- Available with or without removable padded armrests
- Adds 4.5" to toilet seat height
- Item No. 6486A, 6486A-1, 6486R (Without Armrests)
- Item No. 6487RA, 6487RA-1 (With Removable Armrests)

Multi-Position Open Padded Raised Toilet Seat

- Unique open seat promotes patient independence and facilitates perineal cleaning
- Front opening is 4 3/4" wide
- Seat can be rotated or rear mounted for maximum access to perineal area
- Thick, padded heat-sealed seat is ideal for patients with circulatory problems or who need additional comfort
- Comes complete with four heavy-duty VersaGuard™ coated locking brackets
- Item No. 6497A

Versa Height Raised Toilet Seat

- Features four clip-on brackets that fit most toilets
- Durable solid molded plastic seat
- VersaGuard™ brackets will not scrape or mar toilets
- Item No. 6490A
