Doctor of Education – Required Textbooks

The Doctor of Education program uses Encyclopaedia Britannica's *Great Books of the Western World* as the primary texts. The *Great Books of the Western World* Second Edition is a 60-volume set, with an additional text called *The Great Conversation: A Reader's Guide to the Great Books of the Western World*. The textbooks listed below will be used throughout your entire degree program, and they are the only textbooks you will be required to purchase. All texts may be purchased from a vendor of your choice.
