

## Homeownership

Habitat for Humanity Seminole Apopka, works in partnership with people from all walks of life to build homes, communities and hope. Habitat does not give houses away. We sell them to low-income, hard-working families and individuals. By partnering with volunteers, corporations, donors and congregations, we are making the dream of homeownership a reality. We believe in a world where everyone has a decent place to live.

**Equal Housing Opportunity:** We are pledged to the letter and spirit of U.S. policy for the achievement of equal housing opportunity throughout the nation. We encourage and support an affirmative advertising and marketing program in which there are no barriers to obtaining housing because of race, color, religion, sex, handicap, familial status or national origin
