Ms. Proud asked for a motion to adopt Resolution No. 184 approving an award for environmental monitoring services at Riverbend and authorizing a contract for such services.

Motion: Franklin Hecht
Second: Robert Geer

FSMC issued a RFP for operations, maintenance and monitoring services at the Riverbend site, including groundwater monitoring, inspection of wells, maintenance and cleaning of pumps, inspection of the groundwater flushing system and similar services. These services are based on requirements for monitoring and maintenance of the site in accordance with NYS Department of Environmental Conservation mandates and the Site Management Plan.

Following a competitive procurement and in compliance with the Corporation’s Procurement Policy Guidelines, FSMC issued a tentative award to the lowest bidder, Barton & Loguidice, D.P.C. (“B&L”) and now seeks Board approval of the award and authorization to enter into a three-year contract with B&L beginning on May 1, 2019 at first, second and third year annual rates of $99,463, $102,111 and $105,174, respectively.

The Finance Committee approved a resolution (1) approving the award to B&L for the operation, maintenance and monitoring services at the Riverbend site, (2) authorizing, empowering and directing the President and Treasurer, each of them without the other, to approve, sign, acknowledge and deliver all documents or contracts in such form, substance
and content, and upon such terms as may be necessary or appropriate, to implement and carry out the purposes and intents of this Resolution, and (3) recommending that the Board approve the same.

• Lease Amendment – Silevo, LLC

Ms. Proud asked for a motion to authorize approval of a Lease with Silevo, LLC.

Motion: Franklin Hecht
Second: Kenneth Tompkins

FSMC has been engaged in the development of a state-of-the-art high-tech 1.2 million square foot manufacturing facility at Riverbend Park in Buffalo. The Riverbend facility was completed on April 30, 2018. FSMC transferred the Riverbend Facility to Empire State Development (“ESD”) on November 21, 2018 for $1.00 in order to preserve the property tax exemption for the Riverbend Facility. FSMC now leases the Riverbend Facility from ESD for a term of 10 years, at which time ESD shall convey the facility back to FSMC.

Pursuant to that certain Amended and Restated Agreement for Research & Development Alliance on Triex Module Technology dated as of September 2, 2014, as amended, between The Research Foundation for the State University of New York and Silevo, Inc., it was contemplated that the Riverbend Facility would be leased to Silevo, Inc. at a base rent of $1.00 per year for a period of 10 years, with an option for Silevo, Inc. to either purchase the Riverbend Facility at fair market value or lease the Riverbend Facility for an additional 10 years upon the same terms at the expiration of the initial 10 year lease term.

FSMC now seeks approval to lease/sublease the Riverbend Facility to Silevo, LLC (successor to Silevo, Inc.) at a base rent of $1.00 per year for 10 years effective April 30, 2018, with an option for Silevo, LLC to either purchase the Riverbend Facility at fair market
value or lease the Riverbend Facility for an additional 10 years upon the same terms at the expiration of the initial 10 year term.

The Acquisition and Disposition of Real Property Policy adopted by the FSMC Board in Resolution No. 145, on February 22, 2017 permits a disposition of real property, including a lease, through negotiation at less than fair market value under specific circumstances provided that certain required information is provided. That information is in the materials that were sent to you.

FSMC President Douglas A. Grose and Interim Contracting Officer Scott Bateman approve the proposed lease, find that the purpose of the proposed lease is within the purpose and mission of FSMC, and that there is no reasonable alternative to the proposed below market lease that would achieve the same purpose. In addition, Howard Zemsky, President and Chief Executive Officer of Empire State Development, consents to the transfer, finding that the purpose of the transfer is within the purposes or mission of FSMC and that there is no reasonable alternative to the proposed below market transfer that would achieve the same purpose of the transfer.

The FSMC Finance Committee approved a resolution (1) authorizing FSMC to enter into a lease of the Riverbend Facility to Silevo, LLC on the terms stated above; (2) authorizing the FSMC President and Treasurer, each of them without the other, to approve, sign, acknowledge and deliver all documents or contracts in such form, substance and content and upon such terms as such officer may deem necessary or appropriate, to implement and carry out the purposes and intent of this Resolution, and (3) recommending that the Board approve the same action.

Discussion: None.

Ms. Proud asked for a vote to approve the resolution authorizing FSMC to enter into a lease with Silevo, LLC.

Vote:
Ayes: 5, Nays: 0, Abstentions: 0.

The resolution was approved.

5. New Business: None.

6. Public Comment: None

7. Next Board of Directors meeting: TBD

7. Adjournment:
