Our Y's qualified group exercise instructors strive to create a welcoming, fun, and safe environment that encourages all fitness levels to find a balanced yet challenging workout. Our goal is to create a community atmosphere of success, connections, inclusion, and values for all who attend. We want to inspire our community to improve through making healthy life choices. Move today for a stronger tomorrow.

Members of the Y have access to these classes at no cost. Members ages 13-15 may participate in adult programs under the direct and constant supervision of a parent or adult family member over age 21. Uplift graduates may participate without parental supervision.

We want to support and help you succeed in your health and well being goals. As part of this, group exercise classes accommodate all fitness levels. The levels listed below are designed to help participants choose a class that may be a good fit for them. Registration is not required and new participants are always welcome.

Level 1 classes are for participants who are new to exercise or haven't exercised for a long time. These classes offer options to increase difficulty through weight selection and body movement.

We suggest:

Mondays/Wednesdays/Fridays
