PARENT/GUARDIAN ACKNOWLEDGMENT

Please review the following registration information and sign acknowledging you understand and agree to the terms of the Y Summer Program Registration.

- Enrollment is limited to a first-come, first-enrolled basis. Programs fill fast, so early registration is encouraged.
- Included is the required deposit for each session.
- I understand that deposits are applied to the total session fee and are non-refundable.
- Cancellation requests received 30 days prior to the registered program start date may receive a refund for program fees with the exception of the non-refundable deposit.
- Summer program registration deposits may be transferred to another 2018 summer program session if arrangements are made 30 days prior to the initial program's start date. However, all transfer requests are subject to a \$10.00 service fee which must be paid at the time of the request.
- Cancellation requests received more than 15 days, but less than 30 days, prior to the start of the registered summer program start date will result in the forfeiture of the entire fee if the space cannot be filled. If the space is filled, then all payments with the exception of a \$25.00 processing fee and the non-refundable deposit may be refunded.
- Cancellation requests received less than 15 days prior to the registered summer program start date will not be eligible for a refund of any portion of fees paid, except in the case of an unforeseen medical situation verified by a note from a physician. There is no partial refund for late arrivals or early departures. And, no refund will be issued for registrants that do not complete a program.
- I agree to pay the remaining balance at least 3 weeks prior to the session start date. If not paid 3 weeks prior, a \$20 late fee will be assessed and I understand my child may be canceled out of the session. I also agree to complete all health and liability release forms within two weeks of registration in order for the program registration to be complete.
