

Washington All-State Selection Criteria:

1. Athlete must be a senior.
2. Athlete must be selected to play in one of the state feeder games.
3. Athlete must be top-ten out of the Feeder Games to have an opportunity of being selected.
4. Athlete must be able to participate in the All-State game in order to be selected.
5. Coaches from various locations across the state participate in the selection process that to ensure proper representation. Need of certain positions sometimes moves players ahead of others in selection process.

** In rare occurrences, accommodations may be made for players who have prior obligations and cannot participate in the local feeder game.*

Washington All-State Player Information:

As information is passed from the high school coach to the feeder game director to myself, errors may happen. If you have information that would assist in completing the following rosters (player's uniform number, stats, college, etc.), please email me (Jesse Benedetti) at **benedetti.jesse@evsd90.org** or **submit the information at www.allstatebaseball.com**. (**jessebenedetti@allstatebaseball.com** is an alternate email if you don't get a reply from me). Also, if you have an interesting story to tell on how you got here, include it. The Yakima Herald Republic does a wonderful job of writing up this information over the 3-day span.

Thanks, and Congratulations.

Please Make Sure Everything is Accurate! Also, Bring Your Full Uniform Including Jersey.
