

# PETITION TO AMEND AAPG BYLAWS

*As prescribed and in accordance with Article XIV, Section 1 “Proposal of Amendments” and Section 2 “Amending Procedure” of the AAPG By-Laws, the undersigned, as an eligible voting member of AAPG, does hereby petition to amend the bylaws with the following amended language highlighted below:*

## **ARTICLE 1 - SECTION 8. Election to Membership**

Every candidate for admission as a Member shall submit a formal application on an application form authorized by the Executive Committee, signed by the applicant, and endorsed by one (1) member in good standing stating the applicant’s training and experience and such other facts as the Executive Committee shall from time to time prescribe. The Executive Committee shall be the sole judge of the eligibility of the applicant for membership and the adequacy of the applicant’s qualifications; provided, however, that the Executive Committee may not waive the endorsement or professional experience requirements set out in this Article I for applicants for admission as Members. **The Executive Committee shall require AAPG staff to forward membership applications for Member classification, to the applicable AAPG affiliated society, region, or section delegate(s) for a review of the applicant’s professionalism and ethics. Upon completion of the review, the delegate’s recommendation shall be forwarded to the Executive Committee. An affiliated society, region or section may bi-annually request a waiver from said duty, but only due to insufficient delegate support to fulfill this requirement, as agreed to between the Executive Committee and the affiliated society, region, or section.** If the Executive Committee after due consideration, judges that the applicant’s qualifications meet the requirements of the Constitution and these Bylaws, the committee shall cause to be published in the Bulletin or by other suitable means, the applicant’s name and the names of the sponsors. If, after sixty (60) days have elapsed since such publication, no reason is presented why the applicant should not be admitted, the applicant shall be deemed eligible to Member or Associate membership, as the case may be, and shall be notified of election to membership.
