

Dear Co-op Families:

Attached you will find the first semester schedule. I tried to put this puzzle together attempting to meet all of your specific requests. Please take time to find your name 4-6 times. For the most part you are all in only one class, however there are a few of you who are scattered and some of you are in the nursery and your older child's class. If you find I made an error in your placement, please see me so we can make corrections.

Please be careful with switching days, especially if you use the nursery. There are some days with only two babies so I have not put a helper in there - if you switch to one of those days we may have an understaffed nursery.

Finally, there are a few uncovered days in several of the classrooms. If you would like to volunteer for any extra days, you may check with the office. We have a sign up for the volunteer days available. We love it when you participate and volunteer for more!!

Thanks for all you do in the classrooms to make our school great!

Pam
