

## 2015 Ecuador Short Term Mission trip

With the Andes Running through the center of the country, the Amazon Rainforest on the East and costal land to the west Ecuador is a unique and beautiful country. Many of the people groups in this country struggle with the bare essentials of life. Education, sanitation, medical care, water, basic nutrition and the gospel are out of reach for most. Join a team from NCC as we go to Ecuador to share life essentials and the Gospel of Jesus Christ.

Team Leader: **Julia Wofford**

**Schedule:** July 17th- July 26th (Dates may be adjusted by a day or two to obtain best possible air fares.)

**Cost: Estimated trip cost \$2200** this includes travel expenses and room & board

Team members will be responsible for raising their own support.

Note: Cost of trip will have to be paid in two payments the first to secure flights and the final payment. This will be well before departure date. Dates of payments TBA

**Training:** There will be six weeks of training, which will cover what to expect, customs and manors and event details. More training information will be provided in application process.

**Prayer:** Those selected to go will recruit a prayer team to cover their training, their trip, and their re-entry into the U.S. in prayer. The prayer teams will meet with the team making the trip to share a meal together and to pray together shortly before departure. The same cast will meet to share a meal and hear the trip report after the team's return.

**Trip Plan:** As details are available we will do our best to provide as much info as. What will make this trip a success as past ones have is a heart to serve and being flexible. We will start by flying into Quito, the capital of Ecuador. There we will stay with our hosts from the Elohim church. They will guide us the rest of the trip. We will be based in the town of Maderos. This trip will take you into the Amazon rainforest, so come prepared to be transformed as you participate in spreading God's Kingdom. Other projects could include working with children and families, working on a farm, water projects, painting and variety of other tasks.
